Praise for *A View From the Foothills*

j-40220

'Every once in a while, political diaries emerge that are so irreverent and insightful that they are destined to be handed out as leaving presents in offices across Whitehall for years to come. *A View from the Foothills* is one such book.'

DAVID CAMERON, *OBSERVER BOOKS OF THE YEAR*

'The sharpest and most revealing political diaries since Alan Clark's.'

SIMON HOGGART, *GUARDIAN*

'Deserves a warm welcome from those of us who believe that it is not a bad thing for politicians also to be fully-paid up members of the human race.'

ANTHONY HOWARD, *SUNDAY TELEGRAPH*

'A real landmark. The first no-holds-barred account of life inside the Blair administration. They will become as important for future historians as the Crossman, Castle and Benn diaries.'

PAUL ANDERSON, *TRIBUNE*

'*A View from the Foothills* is his eloquent answer to those who believe that all politicians are in it for themselves.'

THE TIMES

'Mullin proves it is possible to produce a political diary which can be funny and fascinating – and free of malice.'

ANDREW HOSKEN, *OLDIE*
