WITH AN INTRODUCTION BY THE AUTHOR AND A READER'S GUIDE

'A brilliant and original book...

Everybody should read it'

*Guardian*

*Zen and the Art of Motorcycle Maintenance* caused a sensation when it was first published in 1974. The story of the narrator, his son Chris and their month-long motorcycle odyssey from Minnesota to California profoundly affected an entire generation. Both personal and philosophical, this book is a compelling study of relationships, values, madness and, eventually, enlightenment.
