Set against the terrible struggle of the
the dark plots of the Commonwealth, A
soldiers, adventurers, aristocrats and kings, tradesmen, politicians,
radicals and scavengers — and the hopes and dreams that carried
them through one of the most turbulent eras of English history.
Men who never imagined fighting a war risk their lives; women
strive to keep families and businesses together through years of
deprivation; innocents are caught up in bloodshed and terror.

After years of struggle, star-crossed lovers, on opposite sides
of the Parliamentary/Royalist divide, are brought together by
fate on one of the significant dates of the struggles and in the
aftermath. But after the adversity and loss of war, a
dark shadow will continue to lurk over them, and
even in peace the past is not far behind.

'Extensive research combined with dynamite storytelling
has produced a masterpiece and this comes hugely
recommended to all' *Historical Novels Review*

'Thoroughly researched, well-written... infused with a
lively fictional storyline and totally believable characters'
Daily Mail

'An ambitious, imaginative, informative and thoroughly
enjoyable novel ... unforgettable' *Daily Telegraph*
