When desire takes over . . .

At a New England boarding school, a sex scandal breaks. Even more shocking than the sexual acts themselves is the fact that they were caught on camera. A Pandora's box of revelations, the graphic images trigger a chorus of voices – those of the men, women, teenagers and parents involved in the scandal – testimonies that detail the ways in which lives can be derailed or destroyed in one foolish moment.

A gripping emotional drama with the pace of a thriller, Anita Shreve's *Testimony* explores the dark impulses that sway the lives of seeming innocents, and how our best intentions can all too easily lead to our worst transgressions.

'Anita Shreve is on cracking form with *Testimony* . . . Poised and absolutely steady-handed . . . gripping'
