

DOUGLAS ADAMS'S
**HITCHHIKER'S GUIDE
TO THE GALAXY**

PART SIX OF THREE

*'Inventive, infectious,
enormously entertaining'*
THE TIMES

EOIN
COLFER

Praise for And Another Thing . . .

'Fans can put away the axes right now, because Colfer has done a fine job. Inventive, infectious, enormously entertaining. I haven't read anything in a long time that made me laugh as much . . .' *The Times*

'The best post-mortem impersonation I have ever read. If Adams's family had chosen to tout this manuscript as an original novel discovered in a cupboard, their subterfuge would have been hard to rumble. A novel which serves as a fitting memorial but also has a life of its own'

Mark Lawson, *Guardian*

'Like having Douglas Adams back with us' *Independent on Sunday*

'A triumph, fabulous. Colfer has given us a delight. He has pulled off the near-impossible. It's faithful to Adams's humour, it's also got his rhythm and the footfalls that made his style so often (badly) imitated' *Observer*

- 'I haven't read anything in a long time that made me
laugh as much ...' THE TIMES

Arthur Dent led a perfectly ordinary, uneventful life until *The Hitchhiker's Guide to the Galaxy* hurled him deep into outer space. Now he's convinced a cruelly indifferent universe is out to get him.

And who can blame him?

His life is about to collide with a pantheon of unemployed gods, a lovestruck green alien, a very irritating computer and at least one very large slab of cheese. If, that is, everyone's favourite renegade Galactic President can get him off planet Earth before it is destroyed ... again.

'Chock-full of fanciful, inventive one-liners and asides, brimming with a burning sense of the ridiculousness of life' INDEPENDENT ON SUNDAY

'The best post-mortem impersonation I have ever read'
MARK LAWSON, GUARDIAN
